Assisted Living

Assisted Living That Puts You First

Rise and eat breakfast when you want. Find solitude in your apartment or on a walk in the woods or gardens. Enjoy the company of friends and family. Nurture your talents. Learn a new hobby. Adams Woodcrest Assisted Living is home. We hope you'll make it your home.

Assisted Living Amenities

- Each private studio has a mini fridge and microwave, while one and two-bedroom apartments feature a full kitchenette. All living spaces have a full bathroom, emergency call system, individual temperature controls, spacious closets, housekeeping, and laundry services.
- Gracious family room with fireplaces and pool table
- Activity rooms for educational, vocational, spiritual, and entertainment interests
- Restaurant style dining with fresh, homemade meals and snacks
- On-site beauty/barber shop
- Scheduled transportation for local appointments and outings
- Personal care promoting independence and safety
- Housekeeping and laundry services included
- Medication reminders

Memory Care Household at Adams Woodcrest

At the Adams Woodcrest Memory Care Household, safety is our top priority, with our secure unit providing peace of mind for residents and their families. Activities are tailored to each resident's needs to promote engagement and well-being.

- Nutritious and delicious meals and snacks served fresh daily
- Private studio apartments with half bath
- Secured, indoor and outdoor spaces
- Personalized care and engagement plans based on your loved one's life story
- Small group and one-on-one activities tailored to reach resident's needs

Adams Health Center

At the Adams Health Center, our professional team offers a wide array of nursing care and rehabilitation services, focusing on restoring well-being and providing assistance for post-acute and chronic care needs.

Rehabilitation

At Adams Rehabilitation, our therapy services provide exceptional care to support residents' health and wellness goals.

Experience comprehensive care at Adams Woodcrest, where your well-being is our priority.
